Important Commercial News-Advance in the price of all descriptions of American produce.

The Great Western arrived at New York on the 30th Sept. On the 20th and 21st instant experienced tremendous gales; lost wheel-house, quarter boats in house, and suffered much other damage. There is no positive news of importance. The market for all de- ACTS of the Twenty-Ninth Congress of the U. scriptions of American produce was advancing.

est. The victories which the British army had ed in that amicable arrangement and profitable settlement which was hoped for, and prematurely boasted of. Ghoolab Singh finds himself beset by pecuniary sembled, That the President of the United States be and he difficulties; and he either cannot, or is unwilling to is hereby authorized, by and with the advice and consent of pay his debts. All such emergencies in India will the Senate, to appoint three additional paymasters, to be lead to the finest development of resistance to the SEC. 2. And be it further enacted, That the officers appointed in virtue of this act shall perform the same duties, dred dollars. lead to the finest development of resistance to the attached to the pay department of the army.

The improvement in business which we noticed at the sailing of the last steamer continues, and matters are nearly in the same relative position as when potato crop influences the price of provisions of every kind. Bacon and hams are rising rapidly, as a glance at our market returns will show.

Indian corn is also increasing in value, as in fact is almost every other kind of grain. That the failure son to believe that the present prices may be main- therefor as in other cases tained, if indeed they do not advance. As an article | Approved, June 19, 1846. of human food, the use of potato seems likely to become extinct. The injury may be temporarily pressing, and productive, no doubt, of suffering, but ultimate consequences can hardly fail to raise the condia curse, not a blessing to Ireland.

The cotton market continues steady, and although we cannot fix a higher quotation, yet on some deby the incoming and the succeeding packets.

The liberal way in which the government is acting in Ireland disarms all fear of national starvation. The employment of the people on public works in Ireland dollars; will, it is clear, be carried out on a large scale.

The present popular lord lieutenant has already is- lars; eyed nearly fifty commissions for the holding of colonial sessions in different parts of Ireland, and upon the investigation and decision of the majorities in session, as to their respective districts, he will act with the confidence which exists at present in the sand dollars; are before us.

The grain markets with us, as with our continental neighbors, are on the rise. Whatever affects England, influences the whole commercial world. It will scope for the development of its alleged benefits, or, for a limited time, the aforesaid telegraph to any person who as some contend, its injuries.
